

**GREAT NEWS! YOUR DEVICE HAS ARRIVED!**

## SET UP YOUR DEVICE

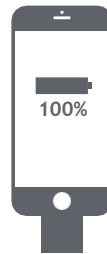

1

**INSERT YOUR SIM/ Micro-SIM** into the device.  
Replace the battery, if necessary.

Please refer to carrier if you need a replacement SIM card. If you are having difficulties installing your SIM card, please refer to the manufacturer instructions. SIM card location can vary by manufacturer.

2

**CHARGE YOUR DEVICE**  
this may take up to 6 hours.

Once charged, power on: press and hold the power button until your device turns on.

Follow the on-screen instructions to set your device up for the first time.

## IMPORTANT INFORMATION ABOUT YOUR LIMITED DEVICE WARRANTY

- SBE will provide limited warranty coverage up to 1 (one) year
- Warranty coverage that is provided is for any functional defect found and does not cover any cosmetic related defects that can happen due to normal wear and tear or damages caused by the user
- Customer is obligated to ship the device to SBE at their own volition and is responsible for the cost of shipping
- SBE will cover the cost of the return of the shipment back to the customer
- Any device found to be NFF (no fault found) or any customer induced damage (including but not limited to: physical damages to the device, liquid contamination of the device that would not be present had the device been used correctly by following manufacturer's guidelines) would be subjected to a quote and not covered by this limited warranty
