

\$5 Per Month Service Credit Offer — Terms and Conditions

When is the offer available?

The promotion is available for a limited time and is subject to change or cancellation without notice.

Who is Eligible?

To be eligible for the promotion, you must activate a new Pay Before or Pay After line at a participating Freedom Mobile retail location during the promotion period.

"Eligible Plans" are our current in-market Home 25 and Home 30 plans.

Your account will no longer be eligible for the promotion if you:

- a) Change your rate plan to a non-eligible plan; or
- b) Port your number away from Freedom Mobile

If you are not eligible for the promotion during any month, that credit will be entirely forfeited and cannot be made up. If you qualify for the credit in the months following the disqualified month, you will continue to receive the credit as applicable.

What will I receive?

You will receive a \$5 monthly credit applied to your account for as long as you remain subscribed to an Eligible Plan. \$120 credit example is based on continuing to subscribe to an Eligible Plan for 24 months.

How can the credit be used?

The credits can be used to pay for the monthly recurring charge, current charges for monthly add-ons, roaming, international calling and messaging, or the Phone Protection Plan. Credits cannot be applied to MyTab payments or toward the cost of devices or accessories.

How is the credit applied?

The credits will start to be applied to your account as a top-up credit before tax (for Pay Before customers) or as a bill adjustment before tax (for Pay After customers). The credits will be applied as long as your account is in good standing (not suspended or cancelled) and as long as you continue to be eligible.
