

Bring Your Own Phone Service Credit Offers — Terms and Conditions

When are the offers available?

The promotions are available for a limited time and are subject to change or cancellation without notice.

Who is Eligible?

To be eligible for the promotions, you must bring your own unlocked, compatible phone and activate a new Pay Before or Pay After line at a participating Freedom Mobile retail location during the promotion period. Eligible plans for each service credit are:

- \$100 Service credit: Home \$40 plan.
- \$200 Service credit: Big Gig \$50, \$70 and \$90 plans, and Big Gig + Everywhere Canada \$50, \$60, \$75 and \$100 plans.

Your account will no longer be eligible for the promotions if you:

- a) Change your rate plan to a non-eligible plan.
- b) Sign up for MyTab.
- c) Port your number away from Freedom Mobile.

If you are not eligible for the promotion during any month, that credit will be entirely forfeited and cannot be made up. If you qualify for the credit in the months following the disqualified month, you will continue to receive the credit as applicable.

What will I receive?

- \$100 Service Credit: You will receive a \$10 monthly credit applied to your account for up to 10 months to a maximum of \$100.
- \$200 Service Credit: You will receive a \$10 monthly credit applied to your account for up to 20 months to a maximum of \$200.

How are the credits applied?

The credits will start to be applied to your account as a top-up credit before tax (for Pay Before customers) or as a bill adjustment before tax (for Pay After customers). The credits will be applied as long as your account is in good standing (not suspended or cancelled) and as long as you continue to be eligible.
